Managing the Community

- TippyTalk is a secure messenger, ensuring that outsiders cannot enter the TippyTalker community.
- All community members are visible in the application to the Admin and managers.
- You can view them in the TippyTalker's management menu under 'Manage Community'.

Adding a Community Member

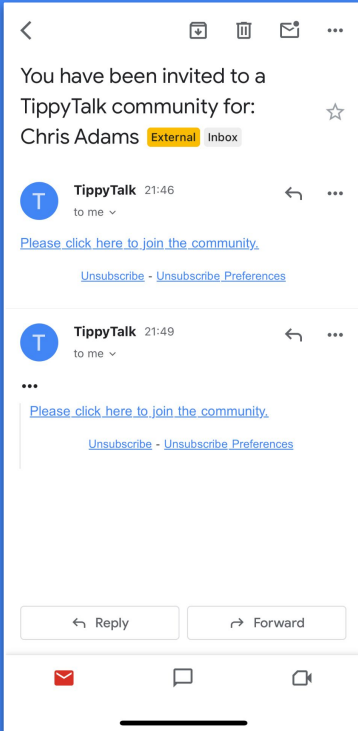

1. From the Admin Home Screen, tap the TippyTalker's icon
2. Tap the profile button in the upper right
3. Tap Manage community

Adding and choosing a role

1. Tap the icon with a plus sign in the bottom right corner and enter the required information. Be careful while choosing a Role. Tap 'Send' to send an invitation to their email address.
2. Roles include:
 - a. Community Manager. This person manages the community and cards, and communicates with the TippyTalker.
 - b. Community Member. This person can only communicate.

Accepting the invitation

→ The recipient of the invitation must download the TippyTalk Mobile application on their device and register using the email address to which the invitation was sent. Then, they will be able to join a TippyTalker's community.
